

Boston Snowstorm Cancels Gawande Webinar; CVV will still host a meeting

Clayton Valley Village received the bad news that the Boston Beacon Hill Village has had to cancel Dr. Gawande's talk. Nevertheless, please join Clayton Valley Village for at Clayton Public Library for an important meeting with discussion of our May 1st opening and refreshments.

Here is the explanation from Boston:

Please understand that due to the severe winter weather in Boston it has become necessary that we cancel [today's] event. Boston Public Library, the venue where we were going to stream Dr. Gawande's talk, has already announced that they are going to be closed tomorrow.

Due to this, the 15th Anniversary event of the Village Movement will not be able to go on as previously anticipated. We are going to do everything that we can to reschedule the event with Dr. Gawande. He is willing to be available on a date that will be far enough in the future that you can reschedule your watch parties and make it available to all of your members and community.

At this time, we do not have any more details than this. We will make them known as soon as we can. We sincerely apologize as we know that each Village put a lot of work into making sure this event happened. We wanted to let you know as soon as we found out.

Sincerely,

Clayton Valley Village
